Single/Multi Axis Motion Control, Servo and Stepper Drive and Motors, Linear and Direct Drive Positioners, HMI/SCADA/Plant Floor Displays

High Performance Multi-Axis Motion Controllers and Ethernet I/O Controllers

Touchscreen Operator Interfaces, Industrial Computers, PLC Integrated HMI

Machine Vision Cameras and Advanced Image Processing

Photoelectric Sensors and Fiber Optic Light Guides

Stepper and Servo Motor Drives and Controllers, Integrated Stepper Motors
Remote Access Solution for Industrial Equipment

Industrial Computers, Human Machine Interfaces, Data Acquisition Modules

Precision Planetary In-Line and Right Angle Gearheads

AC and DC Powered Servo and Stepper Drives, CANOpen and EtherCAT

Intelligent Motion Systems: Integrated Stepper and Hybrid Servo Motors and Controls

The Original Cube Encoder, Incremental and Absolute Rotary Encoders, and Linear Solutions

Magnetic Measurement Solutions: Magnetic Sensing Heads and Linear or Rotary Magnetic Scales
AC, DC, and Servo Motors, Variable Speed Drives, Servo Controllers and Drives

AC Motor Drives, Servo Systems, Power Supplies, and HMI’s with built-in PLC & I/O

Shaft Couplings, Torque Limiters, and Unique Solutions for Misalignment

AC, DC, and Servo Motors, Variable Speed Drives, Servo Controllers and Drives

Brush/Brushless DC Motors, Integrated Motors, Linear Actuators, and Gearheads

Industrial Servo Drives and Motors
